Our string of great weather continued. The predicted rain held off and we had a cool, sunny day for the match. Those of us who participated had a good time. Sorry that so many missed out. Thanks to co-Match Directors Ed Henry and Bruce Molnar for putting on a fun and challenging match.

The season is not over. We've got one more match to go. By popular demand, we added a Rimfire Sporter match for October. We hope to see you again!
