Our luck with the weather held and we had a gorgeous day for a rifle match! Bill Klausing drove all the way from Columbus Grove, Ohio, to take the T Class, High Overall, High Manual Rifle, and High Senior. Not a bad day's work! Vic Sustarsic was close behind Bill and claimed High Semi-Auto Rifle. Bruce Molnar was the O Class winner. Lynda Green was High Woman. The two juniors were close, with Rich Cukelj ending up High Junior. Congratulations to everybody for a safe and fun contest!

Thanks to Rich and Rich Cukelj for stepping up to handle registration, tech inspection, and scoring. Great job, guys. Thanks to Rich Cukelj, Sr. for taking a turn at Range Officer so I could get a break. Guess who's got a job for next year! Thanks to Lynda Green for helping with set up, scoring, tear down, and timing the final relay so I could shoot, too. Thanks to Bruce Molnar for helping with scoring and tear down. It's a lot more fun when there are enough volunteers. Thanks to all.

The season is not over. We hope to see you again!
