

## **John C. Garand Clinic & Match Rimfire Sporter Match**

**Presented by  
Crooked Creek Conservation Club  
20 October 2007**

After disappointing weather forecasts for most of the preceding week, we enjoyed a beautiful fall day on the range. Thanks to one and all who came out for the "Garand Finale" at Crooked Creek. Nine shooters took to the range for the Garand match. We had added a Rimfire Sporter match at the request of many of the shooters in August and 15 showed up to shoot. A group of 4-H shooters came all the way from Ottawa County to join us. By far the best turnout of the year!

Shane McKee was top Garand shooter. Steve McKee was the only entry in the Springfield category and posted the best score overall. John Pakeltis earned top Service Rifle.

We had a competitive field of Rimfire Sporter shooters. John Sherwood won both classes and Ed Henry was second in both, earning him high senior as well. Bud Connolly and Vic Sustarsic were third in Open and 'Scoped classes respectively. Brian Wyss, Jr. was high junior in Open and Scott Sherwood took high 'Scoped junior. Lynda Green was high woman.

A lot of folks pitched in to make this event happen successfully. Rich Cukelj ran the Rimfire match, ably assisted by his son, Rich, Jr.. Sorry, Rich, that you did not get to shoot. Steve McKee helped out with scoring the Rimfire match and even brought his own mobile office. Bud Connolly saved the day when we ran out of rimfire ammo and called the line for the second Garand relay so I could shoot. Thanks to Ed Henry and Greg Lane. If I left anyone out, I apologize. It was a somewhat hectic day!

Thank you all for making our final rifle show of 2007 the best one of our inaugural season. Please join us for what I hope will be an even better 2008 season. If you have any comments or criticisms about this year or any suggestions for next year, let's hear them. Watch the club website for the Crooked Creek Rifles 2008 schedule.

See you all next year!

Don Helwick, Match Director
