We had an excellent late-summer day on the range. Our usual John C. Garand match was replaced with our annual Hunter's Match on the 100-yard range.

Scores in the Rimfire Sporter match reflected a summer of practice. Shooters earned not fewer than 16 pins because their scores would have earned medals at Camp Perry. Four competitors shot at least one clean stage. Ron Villanueva shot four clean stages in the T-Class and one in the O-Class. Rex Walter, Calvin Johnson, and Keith Vicars each shot a clean stage. Ron Villanueva took top honors and gold medals in both classes. Rex Walter was second in T-Class with Calvin Johnson third. Isaac DeAngelis was top Junior in T. Larry Toooh was top Senior and Patricia Rebol high Woman. In O-Class, Roger Lohrey was second and Steve Shauver third. Patricia Rebol was high Woman and Edward Fulton was top Junior. Good shooting.

This weekend was our annual Hunters' Match.

Bob Hajek, Gregory Bruhn, Jack Albano, Scott Brown, and Edward Fulton all successfully completed the CMP Rimfire Sporter Clinic.

I can't believe the season is about over. But it is. The "Garand Finale" at Crooked Creek will be Saturday, October 17. The John C. Garand/Service Rifle match will return to the 100-yard range and we'll host our final CMP Rimfire Sporter match in the short bays. Come out and join us.

One final note. A couple of shooters brought Colt .22 rimfire AR-15 rifles. Our position is that they are not legal for match competition because of the pistol grip, but we also favor more

shooting instead of less. If shooters bring the Colts, we'll make a special "for fun" class. Shoot for bragging rights.

Thanks for coming out. We hope to see you on the range October 17.
